

JULY 2023

SHIRE OF MUNDARING

# COMMUNITY UPDATE

## FROM THE SHIRE PRESIDENT

July was off to a great start with NAIDOC celebrations held across the country. This year's theme was 'For our Elders' and was an opportunity for us to acknowledge and thank local Elders for their contributions in supporting community resilience and wellbeing.

Council was pleased to see the Economic Development and Tourism Informing Strategy adopted in June. We are looking forward to building great partnerships with businesses and stakeholders across the shire. As a way to assist local tourism, one of our first initiatives is to provide support to the Mundaring Garden and Farmers Market. I encourage you to support local and head off to enjoy the friendly, vibrant atmosphere of the market every Saturday at Sculpture Park, 9am to 1pm.

With the close of the 2022/2023 financial year, we are working hard towards finalising the new budget for 2023/2024. Please note, the budget is anticipated to be adopted a bit later than usual in mid to late August. Ratepayers can expect to receive rates notices after this date.

Residents and visitors to Lake Leschenaultia are advised that Reflections Coffee and Kiosk is now closed until further notice. Council has taken the difficult decision to lessen the impact of increasing costs in this year's rates and has provided direction as part of the annual budget setting process to cease Shire operation of the kiosk from 1 July. The Shire is actively seeking alternative providers including mobile vendors and/or a private operator for the kiosk.

In operational news, our Containers for Change Refund Point located at the Mundaring Community Recycling Centre on Coppin Road received high praise for its operation and safety during a recent audit. I would like to remind all community, groups, clubs and charities to find out more about the benefits of partnering with our local facility. You will receive support to help with your fundraising efforts, and the team can assist with setting up donation points and scheduled pick-ups. Call us or email [c4c@mundaring.wa.gov.au](mailto:c4c@mundaring.wa.gov.au) for information.

Community groups involved with supporting young people are now able to apply for a grant of up to \$25,000 through our Youth Engagement Partnership Fund. Visit [mundaring.wa.gov.au/yepf](http://mundaring.wa.gov.au/yepf) for information.
