

Wooroloo

- CONNECT -

EDITION 6 - 7 JULY 2021

Why connect?

According to Neighbourhood Connect - a not-for-profit organisation, "*connecting neighbours to strengthen the social fabric of Australia's neighbourhoods*"...

As neighbours get to know one another through simple, regular social gatherings, they find common interests and concerns.

People help one another, friendships form, kids find playmates, matters affecting the area are shared and the group may take on projects of interest.

Throughout July, August and September there are dozens of activities being hosted at the Hall. You are encouraged to come along to at least one or two.

We would also like to ask for your help. With your participation we can work towards the more popular activities continuing within the community, with Shire support, for as long as they are being enjoyed.

If there's something you would like to get involved with, please, just let us know - your ideas and energy are welcomed.

Recovery update

Clean-up's continued through the recent lockdown, with properties in Wooroloo being substantially complete. For updates call 1800 328 997.

Free water remains available from the Bushfire Recovery office in Gidgegannup.

Rotary + Disaster Relief Australia are working through the list of residents who have requested assistance with the reinstatement of fencing.

WOO-BER EATS! Grateful thanks go to local residents Norm, Leith, Bronwyn, Ken, Sarah and Charmaine. When the recent lockdown meant cancelling the first *Winter Warmer* evening at the Hall, they stepped up to ensure that 30 bowls of soup made it safely to waiting dinner tables.

Fostering a sense of community as we recover together.
