My husband and I have lived in Hovea for about eight years. I run a small business (Cumin Cook) and am an active volunteer with the Mundaring Community Men's Shed and Mundaring Toy Library.

Supporting our volunteers, community and business in achieving their goals is a priority for me. I will work hard to develop a safe, healthy and inclusive community. I want to ensure that growth and development meet our community's aspirations. I am interested in bushfire management, protecting biodiversity and waste management solutions. Fostering open, transparent and accountable decision making is important to me. As is my interest in ensuring the long-term financial sustainability of our Shire.

My values of integrity, honesty, and transparency will always guide what I do. I will be a strong advocate for you. Together we can build a resilient, happy and connected community, create a positive impact on our environment and on everyone living, working and recreating in our beautiful Shire.
