SHIRE OF MUNDARING

# COMMUNITY UPDATE

## FROM THE SHIRE PRESIDENT

The change of season is an opportunity for us to spring into action with a number of projects and initiatives.

Along with the updated Corporate Business Plan which provides information on key projects, you can see what your rates will deliver in the Annual Rates Pack due to arrive shortly. The Corporate Business Plan can be viewed or downloaded from [mundaring.wa.gov.au/plans-and-strategies](http://mundaring.wa.gov.au/plans-and-strategies) with hard copy versions available at the Shire Administration building or libraries.

Residents are reminded that profiles of the 2023 local government ordinary election candidates are now available to view via the Shire's website [mundaring.wa.gov.au/elections](http://mundaring.wa.gov.au/elections). Voting packages to elect the Shire President, one East Ward Councillor and one Central Ward Councillor will be delivered shortly.

The new season also brings with it great opportunities for our community groups and clubs to get involved in new projects. Our Quick Grants program offers up to \$500 in support. Apply from Friday 15 September via the grants portal on our website [mundaring.wa.gov.au/community-grants](http://mundaring.wa.gov.au/community-grants).

Remaining on the subject of community groups, I also encourage all of these groups and community organisations to explore the new format Celebrating Community Event. The event will be a great platform for groups to showcase their activities and achievements and network with other stakeholders. Visit [mundaring.wa.gov.au/celebrating-community](http://mundaring.wa.gov.au/celebrating-community) for further information and to register. Registrations close on Friday 29 September.

And lastly, we encourage all rural zoned property owners on land greater than 4000sqm, Friends Groups, Schools and Catchment Groups to register their expressions of interest for the 2024 Seedlings for Landcare program. Information and links to register your interest are via [mundaring.wa.gov.au/seedlings-for-landcare](http://mundaring.wa.gov.au/seedlings-for-landcare).
